"TO BECOME AN EXPERT IN MY FIELD OF PHOTOGRAPHY AND PURSUE MY INTEREST SHOOTING COMMERCIAL PROPERTIES AND INFRASTRUCTURE. HAVE EXCELLENT ATTENTION TO DETAIL AND WISH TO DEVELOP MY EXTENSIVE EXPERIENCE OF WORKING WITHIN IT AND PHOTOGRAPHY".

CIRRICULUM VITAE

CURRENT

FREELANCE PHOTOGRAPHER

@WHP_Photo: I'm a thirties freelance photographer & drone pilot bought up in N.Ireland who loves meeting like minded people, spreading my wings via travelling and shooting amazing locations, architecture and low lighting subjects. I sell directly online and through markets inc. Victoria Square, Fine & Dandy Portrush, Newcastle Artisan markets and Christmas markets. My work is stocked in In Klover Art Gallery, The Craft Barn, The Handcrafted Gallery & Barn Owl Boutique. I am keen to increase my stockists at every opportunity. My work is also exhibited in a restaurant in Belfast

CREATIVE DIRECTOR

Bioil Ltd. : -Family business set up in 2006 specialising in the manufacture and production of rapeseed oil.

-Have been involved from company initiation increasing sales by 25% year on year

-Consistently meet sales targets and most recently introduced our product range to the German and US markets receiving positive reviews.

-Have successfully developed the product range diversifying into different flavoured oils and vinigerettes .

-Monitor weekly KPIs assessing product profitability, methods of minimising costs and adding value to the business

-Have developed and maintained the company website and just recently created an ecommerce site to complement our existing site

-Promoting the company via online social media such as Facebook, Twitter and Instagram, Pinterest.

-Producing graphic publications such as flyers, brochures and posters

-Maintaining commercial awareness and identifying innovative ways of competing in the marketplace

-implemented new sage accounting system to maintain good internal controls in the business & designed a stock intake system.

-Attend regular promotional events nationwide and sell directly to the public as well as retailers

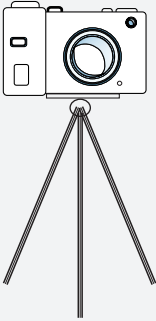

-Negotiate deals with retailers and ensure the business secures and maintains our distribution lines

-Successfully secured distribution into the UK market in 2009 by introducing our products through nationwide events focusing particularly on the London market

-Currently involved in research and development of our product range.

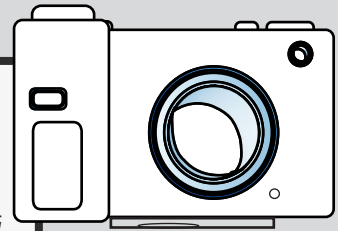

Looking to diversify further into biofuels and green energy

-Liasing with third party institutions and universities. investigating ways of tailoring our product to target other niche markets
